God, give us MORE!

School of Evangelism

There is a hunger in Europe that can't be ignored. And nowhere was it more evident than at this year's CfaN School of Evangelism (SOE) in Germany. Over six weeks, students were transformed – receiving healing, identity, boldness, and a fresh commissioning from heaven.

Lukas Repert, Bootcamp graduate and SOE Director, put it plainly: "The special thing about this class was the hunger. From day one, they were so fired up. I've never experienced anything like it." That hunger led to astonishing results:

1,336 DECISIONS FOR JESUS, AROUND 10,000 GOSPEL SHARES, AND DOZENS OF PHYSICAL HEALINGS AND DELIVERANCES.

In the very first week, students witnessed someone healed from deafness on the street and giving their life to Jesus. They saw people filled with the Spirit on the streets, too. As Lukas shared: "The atmosphere has changed. It feels like evangelistic momentum is rising in Germany, something that wasn't there before."

AT THE SCHOOL OF EVANGELISM, I LEARNED SO MUCH, FROM WALKING IN BOLDNESS, TO INTIMACY WITH GOD, TO LEADERSHIP, AND SEEING MY FAITH GROW STRONGER THAN EVER.

I SAW GOD MOVE IN EVERY AREA OF MY LIFE AND BRING PEOPLE AROUND ME WHO SPEAK TRUTH AND CORRECTION WHEN NEEDED.

THE GRADUATING CLASS I WAS A PART OF IS SO ON FIRE FOR GOD AND HUNGRY FOR REVIVAL IN ALL NATIONS.

Intense Testimonies

City of Light

The SOE students completed their training with two weeks of non-stop outreaches in Nuremberg. This culminated in a four-day open-air evangelistic event called City of Light, in collaboration with Lukas Repert's ministry, GodsPower. This festival-style event included a Kids' Festival, Christian music and dancers, and the Gospel was preached multiple times each day.

There were many intense salvation testimonies, with an emphasis on people who had never had anything to do with God or church before – people coming out of heavy drug abuse, people lost in trauma and oppression, running forward to lay it all down at the foot of the cross. What a joy to reach the unreached, right on the streets of Germany!

Running to Jesus

Twente Arise

In the Netherlands, Evangelist Wicher Knol (an SOE graduate who is heading to the CfaN School of Ministry this Fall) recently conducted a three-day open-air Gospel Campaign in Enschede. Miraculously, they were given the use of the city's biggest public park for free! 48 churches and ministries took part, and the unity between them was itself a powerful testimony to the move of God there.

Wicher shared,

"Many people gave their lives to Jesus. Among them was a homeless man struggling with addiction, who ran forward in tears even before the altar call. He surrendered his life to Jesus and has been free from drugs and medication ever since. He got baptized and is a different person now, plugged into a local church. We also saw a leader from a very traditional church respond to the Gospel. Despite his public role, he had the courage to step forward, give his life to Jesus and be filled with the Holy Spirit!"

Konstantin

Konstantin was healed from chronic heel pain, able to walk pain-free after months of discomfort.

Breakthrough in Bavaria

Nights of Hope

Bavaria, Germany will never be the same after this year! That's where Bootcamp graduate Evangelist David Rotärmel and his ministry 'Reviving the World' collaborated with other CfaN graduates and local churches to shake the entire region with the Gospel. The initiative – Salvation Bayern – saw 867 local and international evangelists take to the streets, sharing Jesus with people in neighborhoods, train stations and public spaces.

The final outreach was a four-day festival-style event with food trucks, passionate worship, powerful testimonies and nightly Gospel messages preached by Evangelist Rotärmel. This was the fifth 'Nights of Hope' this team has conducted in Germany!

OVER 700 PEOPLE MADE DECISIONS FOR CHRIST.

Marta was instantly healed of whiplash after a car accident earlier that day.

Stepping into Freedom

Fire Camps have been happening all over Europe this year. Diana Wagner, herself a CfaN Bootcamp graduate, has attended several of them, ministering to others as a Fire Camp coach. She shared this perspective:

"It is deeply moving every time to see how much people change from the first to the last day. The transformation that God works in just six days is truly astonishing. You can see the freedom they receive – freedom from the fear of man, but also freedom in many different areas of life. By the sixth day, you can see it on their faces: they shine in a completely new way. The fear of man is gone, and they step out boldly to preach the Gospel. They leave the Fire Camps full of confidence, strengthened and equipped to share the Gospel with boldness and passion."

FRANCE

As a pastor, Fire Camp was a deeply encouraging and formative time for me. It wasn't just a workshop – it was a space where I could find rest, be refreshed, and spend focused time with Jesus. At the same time, my spiritual perspective was sharpened outwardly. I returned to my church with renewed passion and a deep desire to live and teach evangelistically with greater clarity and boldness.

From the first Fire Camp ever held in the Czech Republic: "One of our students prayed for a woman almost blind in one eye. She started to see again, clearer and clearer. Then he prayed for her painful leg and the pain left. We saw healings on the streets in this extremely atheist country!"

- Daniela Kerekes (Fire Camp leader)

GERMANY

This was the fourth Fire Camp in the French-speaking world and more are coming, but this one was particularly powerful. Already on the first day, people had such intense encounters with the Lord that they were trembling from head to toe. When it was time to go on outreach, they went out with boldness and zeal for the Lord.
