A Wave of Miracles

Hope and Healing in Chililabombwe

Returning to Chililabombwe, Zambia, was a profoundly meaningful moment for Christ for all Nations. Forty years ago, following a campaign here, our ministry suffered a deep loss. Two dedicated CfaN team members, driving our trucks back to South Africa, were killed when a drunk driver hit their vehicle. They gave their lives for the Gospel. Returning now, we carried their legacy in our hearts, praying that the seeds they helped sow would spring up into a mighty harvest.

LOCAL LEADERS REMEMBER EVANGELIST BONNKE

Local pastors and bishops welcomed the team with great joy. Many of them vividly remember Evangelist Bonnke's visit all those years ago, and they were eager to experience such a move of God once more in this region. The atmosphere was electric with anticipation. For the next five nights, Evangelists Jana Bielava and Bret Sipek preached with fire, and heaven answered with a wave of life-changing miracles.

The unity among the local churches was unprecedented. Church leaders from many different denominations worked side-by-side, and their worship bands led the crowds in joyful, explosive praise. Night after night, the Gospel was proclaimed with clarity and power.

Jana Bielava

Behold,

I stand at the door
and knock.
If anyone hears
My voice and
opens the door,
I will come in to him
and dine with him,
and he with Me.

Revelation 3:20

THE WHOLE CITY IS UPSIDE DOWN!

At the end of the campaign,
one of the bishops sent this
message to the CfaN team:

"Evangelists, you do not know
what you have done. The
whole city is upside down. We
have never ever seen so many
young people in a campaign.
And our worship band is on
fire. Chililabombwe will never
be the same. Bishops and
pastors are all overwhelmed by
God's grace."

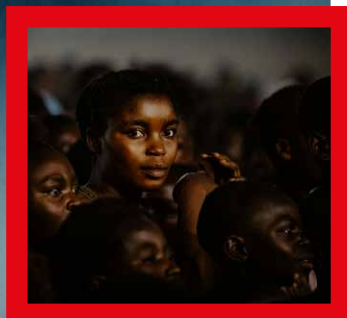

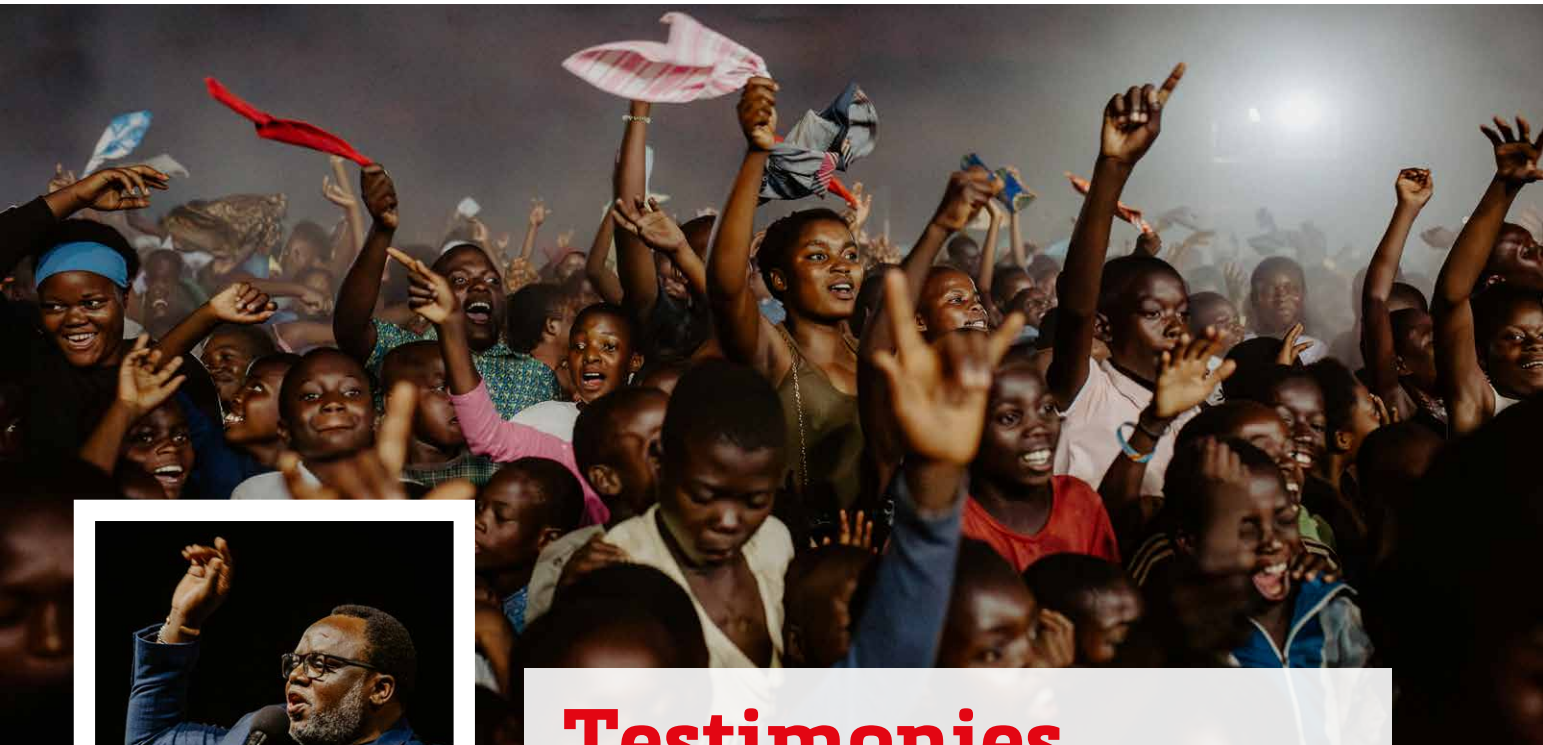

Bret sipek

On Night Four, Evangelist Jana exhorted the people to bring any witchcraft items such as charms and potions and throw them into the steel drum to be burnt. At every campaign, this is a powerful demonstration to the people that there is freedom in Jesus.

Testimonies

The impact was so profound that even the nation's Minister of Mines and the local Mayor took the stage on the final nights. The Minister began his speech by leading the crowd in heartfelt worship, proclaiming Zambia a Christian nation that welcomes the servants of God.

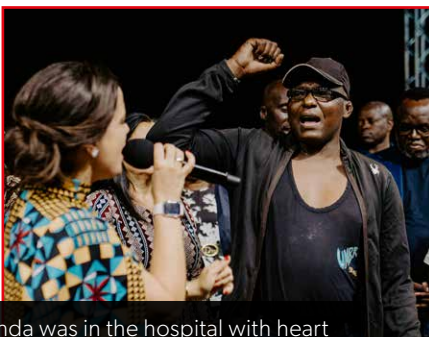

Raphel, born with crossed eyes and poor vision, could now see perfectly. He even correctly identified a tiny lion on a cameraman's hat from far across the crowd!

Ruth had an issue of blood for over a year that doctors couldn't diagnose, causing severe swelling in her belly. After prayer, the bleeding stopped instantly and her abdomen returned to normal.

Judith Ngosa suffered from cervical cancer with a visible tumor for seven years. After the prayer for the sick, the tumor disappeared!

Kabanda was in the hospital with heart failure just days before and hadn't walked properly in three years. He came to testify, walking and jumping on stage with no shortness of breath.

Kennedy, himself a minister of the Gospel, suffered for two years with bowel disease and neck pain. When he checked himself after prayer, he was completely pain free. He was so thankful to Jesus for his healing!

Namakau suffered with weak and watery eyes for eight long years. Overflowing with joy, she shared that she had been healed and could now see clearly with no tears.

Evangelists Bret Sipek and Jana Bielava are sent out under the apostolic authority of Evangelist Kolenda. They have personally organized and preached at over 30 CfaN Gospel Campaigns!
